

The President's Message

Welcome to Spring Hope that your Easter Celebration was a joyous one! My Easter festivities included 22 for dinner followed by 267 filled eggs being hid by the adults and hunted by the children and a Birthday celebration for my 92 year old Uncle. Was a great family time! Hope yours was also!

Damascus White Cane Days: May 5-8!

By Lion Wayne Marr, Chairman

Damascus Lions! Our next Damascus White Cane fundraiser is the week of May 5-8. I will push the signup sheet around during this meeting and I'll pick up the stragglers at the mid-April meeting. Folks: this fundraiser needs the participation of every able-bodied Damascus Lion for at least one two-hour shift. When the sign-up sheet reaches you, please contribute at least one shift; two, if you can. Every two shifts bring us enough funds to provide an eye appointment and new glasses for some needy Damascus-area child or adult. We will have shifts at both doors of Safeway this time, in the hopes that this will help us increase our collections there. Thank you, all Damascus Lions, for your help with this fundraiser over the years.

With all the sadness and trauma going on in the world at the moment, it is worth reflecting on the death of a very important person, which almost went unnoticed recently Larry LaPrise, the man who wrote "The Hokey Pokey", died peacefully at age 93. The most traumatic part for his family was getting him into the coffin. They put his left leg in..... And then the trouble started.

The club financial reports for January and February were presented by Lion Tony Barry. The Jan report showed a net income of over \$4100 while the Feb report showed a loss of over \$1200. OLD BUSINESS

A motion was made and approved to apply the advance meal payment for the cancelled meeting to the fee for installation night.

NEW BUSINESS

A letter requesting a donation for the post prom party at Clarksburg High School was presented. The Youth committee elected to handle this request.

It was noted that the THOR Team, a mentoring program for area disadvantaged youth, held an annual banquet recently to thank contributors to the program. After some discussion, it was moved and approved to contribute \$200.00 to this organization with funds coming from the unplanned youth budget item.

The meeting was adjourned at 8:26.

Clarksburg Corner

From the Liaison IPP Lion Eloise Woodfield and Coordinator Lion Joann Woodson

The Clarksburg Branch Lions of Damascus Club recently had a Membership table at the "Kites over Clarksburg" event. "March for Membership" was the Lions theme. Lions' information and upcoming community events were on display. Interested potential members were given key chain eyeglasses. Lion Chris Fletcher, Coordinator Lion Joann Woodson, Lion "Tuck" Woodfield and Zone Chair Lion Eloise Woodfield talked with visitors, explaining the many ways, both men & women can help by giving back to the community. Letting everyone know that as Lions "WE SERVE", and the word TEAM, means "together everyone achieves more".

Attending this event was a very worthwhile way to get potential New Members, and a great way of spreading Lionism with a personal touch.

Lion Chris was *flying high with excitement* as the Chairperson for this membership drive in Clarksburg. Way to go Lions.

March Blood Drive

By Lion Charlie Hertel, Chair

We collected 84 units of blood at the Damascus Lions Club Blood Drive on March 15, 2010. St. Paul's Catholic Church had a blood drive on Sunday March 28, 2010 and they collected an additional 17 units of blood. This puts our yearly total at 552.

The Damascus UM Church is having our 1st blood drive of the 2010-2011 year on Thursday May 13, 2010. Our next drive is scheduled for Monday June 7, 2010. This will be held at the Damascus Vol. Fire Dept Activity Building.

We had our Mary Kay basket donated by Lion Marsha Holpuch. The value was about \$100.00. Thank you to Safeway for supplying the donuts and newspapers valued at \$25.00.

I would like to thank all the Lions Club members for all of the hard work. It is proven if we make the phone calls it seems to increase the units of blood we collect. I would like to thank the Lions who came in and helped set up the hall. I would like to thank the Lions in our club who still continue to give a unit of blood each time.

I would like to thank my son Lee and daughter Candice for helping set up for the drive. I would like to thank King Lion Mary Francis Gosnell and Lion Joy Schwab for setting up the Lions marketing display board and being greeters. I would like to also thank my Mom and Dad for being involved with our blood drives. They show up around 11:00 AM and leave with me about 9:00 PM. Mom also makes calls to prospective donors. Thank you!

We have a great community. Damascus is a special place. Thanks to all who continue to support our community blood drives.
