

PLEDGE TO LIONISM

I pledge allegiance to the International Association of Lions Club and of the Club through which I serve the citizens of my community, my nation and the world; the symbol of a fellowship of men and women bound in volunteer loyalty to life, liberty, and love of all humankind.

THE LIONS CODE OF ETHICS

(Abridged)

TO SHOW my faith by doing my job with integrity.

TO SEEK success by not cheating my fellow man and to keep my self-respect by not taking advantage of others.

TO REMEMBER that in building up my business it is not necessary to tear another's down.

TO BE willing and able to accept the blame whenever a mistake is made.

TO HOLD Friendship as an end and not as a means.

TO BEAR in mind my obligations as a citizen to my nation, my state and my community, and to give them my loyalty in word, act and deed.

TO AID my fellow citizens by giving my sympathy to those in distress, my support to those who are weak, and my substance to those who are in need.

TO BE CAREFUL with my criticism and liberal with my praise that I may build and not destroy!

SO BE IT!
